

Teacher Supply Drive

The PWEA is organizing a teacher supply drive to create a free supply room for new hires at New Teacher Orientation (CONNECT) in August!

Please collect together your new and gently used teacher supplies at your work site and have your Association Leader bring the box to the PWEA Office by June 17th!

We are looking for anything a new educator would need for their room that schools may not provide like:

- Motivational or content posters
- Reproducible booklets you no longer use
- Office or art supplies for the classroom
- Classroom decorations or bulletin board materials
- Storage containers or desktop organizers
